**To Whom it May Concern:**

I recently completed a real estate transaction with Mr. Billy Wynn representing me. The process went seamlessly and I am very satisfied with the end result and, of course, my new residence.

He is the utmost professional and handled the entire process with respect and concern for both parties involved. I look forward to one day working again with Billy Wynn and his assistant Rosey, who, by the way, did a great job following up after the initial consultation.

Thank you!

Regards,

**BARRY R. WILLIS, President**
