Subject: Thank you

This is to thank Billy Wynn for his patient and effective assistance in helping our family secure a wonderful rental home. There were several considerations along the way to finalizing our lease agreement. Billy patiently and graciously helped negotiate a common ground that left all parties pleased and satisfied. We are happy to call Billy our neighbor and we look forward to continuing our great relationship. We will definitely look to Billy when we make the transition to our next home. We give Billy Wynn our highest and most sincere recommendation.
