Dear Billy,

How can we begin to thank you for the amazing job you did for our family. Not only did you make an amazing deal for us on the house we purchased, but you were able to also make a great deal for us on the home we sold, even in a horrible housing market.

Not only did we do well on both ends, from a financial standpoint, but moreover, the transactions on both side were made to be smooth and easy for all parties involved. We could not be happier with the way that everything turned out for our family. We also want to thank you and Tamara for your continuous support and real estate knowledge during the entire process.

Wishing you and your family a happy 2010 and much success in the future!

Sincerely,

Beth & Blake Neely
