Unconditional Letter of recommendation

Billy, what can I say? You have Sold or Leased homes for my family over the past 10 years including myself, my mother and father, my brother, and now again for my wife and myself and new baby. Your enthusiasm and joy to work with has made each transaction a pleasure and delightful experience, even in these tuff times. I welcome anyone wants to discuss your abilities and my personal experiences with you – kindly have them reach me anytime at 310 430-2026.

With war regards,
