Subject: Thank you

Dear Billy,

I just wanted to thank you from the bottom of my heart for the amazing job you have done selling the house on Matula. It's almost 20 years that we have been in business together from buying and selling my first house in Tarzana, to this, our fifth transaction together.

You have gone above and beyond the call of duty. You not only sold my home in the toughest financial market of all, but you made the experience pleasant, professional, paid attention to every last detail, and protected my interests every step of the way. Your advice has been well heeded and the results speak for themselves. Do you ever sleep?

You have been a great business partner and have become someone that I can trust completely and count on even when the going gets rough. Should you ever need a recommendation, do not hesitate to give my name and information as a referral. Your competition doesn't even come close.

With appreciation,
Sharon
